Regional Summary <i>The arrow indicates the direction of regional progress.</i>		Range 3 - 7 with 3 positive arrows				Range 3 - 5 with 2 positive arrows					Range 4 - 6 with 3 positive arrows					Range 4 - 5 with 3 positive arrows				

Scoring for the Individual DHBs -

Red	1	DHB is operating a legacy solution (unsupported) or has no solution in place
Pink	2	DHB is operating a local solution not aligned with agreed regional solution
Amber	3	DHB is implementing a local (or regional) solution aligned with agreed regional solution
Yellow	4	DHB is operating a local solution aligned with agreed regional solution
Green	5	DHB is operating on the agreed regional solution

Scoring for the Region -

Red	1	No DHB has experience operating a regional solution and there is no plan
Red	2	At least one DHB plans to implement a regionally capable solution
Pink	3	At least one DHB is operating a regionally capable solution
Pink	4	At least one DHB is operating the agreed regional solution locally
Amber	5	At least half of the DHBs are operating the agreed regional solution locally
Amber	6	Region has a plan (and funding) to implement the agreed regional solution in the next 12 months
Yellow	7	At least half of the DHBs are operating on the agreed regional solution
Yellow	8	All DHBs are operating on the agreed regional solution
Green	9	All DHBs are operating on the agreed regional solution: primary and community health organisations use the solution regularly
Green	10	All DHBs are operating on the agreed regional solution: benefits are measured and service improvements made as a result
